Saphir 450

The first and smallest member of the NIVOPOOLS pool family. The SAPHIR pool offers comfort and safety for its owners due to its small size.

Coral

The second member of the NIVOPOOLS pool family, available in 3 sizes, so it's suitable for smaller gardens but also for those who own large spaces. The special stairs and bench configuration of the CORAL pools is the result of a long design process. By choosing a suitable size CORAL pool, you'll enjoy your purchase whether you need a space for sports or you are just looking to relax. This pool type will bring joy to the whole family.

Shell

The attention grabbing symmetric step construction of the SHELL model is unique in our product range. This model captivates prospective owners with its refined and distinct lines. The steps are one of the most comfortable among the NIVOPOOLS models. Confident design for confident use.

Rubin 670

RUBIN pools give free reign to owners to use the whole length of the left side. We are confident that it will meet the requirements of training athletes as well as private individuals looking for comfort.

Diamant 750

The left side stairs and bench of the DIAMANT pool follow a distinct but simple shape. An excellent choice for people looking for traditional designs, as well as anyone playing sports at home.

Jade 670

The pool with the cleanest design among the NIVOPOOLS pools. The stairs and bench at the left corner of the shorter side are distinct but also simple. A perfect choice for people looking for a clean design. JADE pools are suitable for sports and also for relaxing.

Brill 750

The stairs and bench at the right corner of the shorter side of the BRILL pools are distinct but also simple. A perfect choice for people looking for a classic design. Also suitable for people who want to play sports or just looking for relaxation.

Neptun

A refined and classic member of the NIVOPOOLS pool family, with a symmetric Roman stair design. It's pleasing to look at and also easy to install. This pool type is in complete harmony with nature.

Platinum

The classic lines of the NIVOPOOLS PLATINUM pool will grab everyone's attention. This is our longest pool type, a true representation of the classic style. Its shapes and design make it easy to install in any environment. The wide design of the stairs allows them to be used as benches.
